

乌节路，酒吧一条街，Cuppige Terrace

Cuppige Terrace 是由两层独特的马六甲风格的露台组成，建于1905年至1907年。这条怀旧小巷位于黄金地段，毗邻新加坡著名的乌节路购物区，可穿过马路轻松到达 Somerset 地铁站。Cuppige Terrace 是当时专为中产阶级而建，过去是人满为患的市中心，如今已演变成一个充满活力的餐馆和酒吧聚居区，在下班后人潮涌动，并成为当地人和游客的热门去处。这里拥有如此丰富的历史，六六 6ix 6ix 非常自豪地成为这个文化遗产保护中心有史以来的第一家正宗美味中国菜餐厅。

Cuppige Terrace is uniquely made up of two-storey Malacca-styled terraces, built in the years 1905 to 1907. This nostalgic lane is located in the prime area, adjacent to Singapore's famous Orchard Road shopping district and easily accesible via Somerset MRT station just across the road. Built for the middle classes to escape the overcrowded city centre in the past, Cuppage Terrace has evolved into a vibrant enclave of restaurants and bars that comes to life after hours, and serves as a popular destination for locals and tourists. With such a rich history, 6ix 6ix is proud to be the first restaurant that offers delectable authentic China Cuisine, while nestled right in the heart of this heritage conservation area.
